HEATHER BRINK

HEAD COACH | SEVENTH SEASON

Heather Brink was named the fifth head coach in the history of Nebraska women's gymnastics in February of 2019. Brink started the 2019 season as the program's interim head coach following three seasons on the Husker staff as Nebraska's associate head coach. Overall, Brink will enter her 14th season on the Husker coaching staff in 2025 including her earlier stint as assistant coach (2011-15). She was also an 11-time All-American at Nebraska.

She has not only helped develop one of the most talented beam squads in the nation during her tenure on Nebraska's staff, but Brink has also demonstrated unprecedented leadership in and out of the gym. With over 30 years of gymnastics experience, Brink plays an important role in recruiting, program development and team building. Her dedication to the rich program tradition is unparalleled, as she looks to continue leading the Huskers to success in the years to come.

In 2024, Brink led the Huskers to their second-straight NCAA Championships appearance. The team qualified for the second round and placed third out of four in its session. Under her tutelage, Emma Spence earned first-team All-Big Ten honors, and Kinsey Davis and Sophia McClelland claimed second-team All-Big Ten honors. NU scored a 197.000 or above in its last three regular season meets, marking the first time since 2003 that the Big Red accomplished that feat. Husker gymnasts earned 23 career highs and 36 event titles.

Brink coached the 2023 Huskers to a postseason berth, reaching the NCAA Denver Regional. She coached three gymnasts to all-conference honors while Emma Spence was named Co-Regional Gymnast of the Year. Brink helped the Huskers score a 197.500, the best team score in five years while recording the 10th-best event scores in program history on floor and uneven bars. She coached individuals to 30 career-high scores, while the Big Red took home 31 individual event titles throughout the season.

In 2022, Brink coached two Huskers to a postseason berth as Kinsey Davis and Clara Colombo competed at the NCAA Seattle Regional. She also coached Davis to first-team All-Big Ten honors.

In 2021, Brink and the Huskers returned to the gym for an unprecedented year after having the 2020 season cut short due to COVID-19. Brink coached two all-conference gymnasts, Kaitlyn Higgins and Anika Dujakovich. The season ended for the Huskers at the NCAA Athens Regional where six individuals competed in seven events.

Although the 2020 year was cut short because of COVID-19, Taylor Houchin earned All-America honors while helping NU to an 8-4 record. Sierra Hassel also continued NU's tradition of excellence in the classroom, as she was named Nebraska's Student-Athlete of the Year.

Brink helped Nebraska to a sixth-place national finish in 2018, when the Huskers produced eight All-America awards. Brink helped Taylor Houchin and Grace Williams to second-team All-America honors on beam. NU posted a seventh-place national finish in 2017, and the Huskers won a Big Ten regular-season championship. Brink coached Danielle Breen to second-team All-America honors on beam, as Breen tied for sixth at the NCAA Semifinal with a score of 9.900. The Husker beam squad came up clutch in two of NU's most important meets of the season, as Nebraska finished on the event at both the B1G Five meet and the NCAA Lincoln Regional. At the B1G Five meet, NU clinched the Big Ten regular season title following Grace Williams' career-high 9.95. The Huskers needed a strong beam performance at the regional to advance to the NCAA Championships, and Williams posted a 9.90 and Breen scored a career-high 9.95 to seal the trip to nationals. At the NCAA Semifinal, NU posted a season-high 49.3000 on the event, led by Breen's score. Brink also helped Ashley Lambert to a pair of second-team All-America honors on vault and floor and Sienna Crouse to first-team recognition on vault.

In 2016, Brink's first season as associate head coach, Nebraska finished eighth nationally at the NCAA Championships. The Huskers' beam squad was among the strongest in the country, ranking in the top 10 for most of the season. Williams captured eight beam titles on the season, including the Big Ten beam title. Brink also helped Hollie Blanske to first-team All-America honors on vault and second-team All-America honors on floor exercise and in the all-around.

In 2015, Brink helped guide the Huskers to an eighth-place national finish and a third-place finish at the Big Ten Championships. Nebraska's beam lineup posted a season-high score of 49.475 at the B1G Five qualifier, while the Huskers captured six individual beam titles on the season. Brink was instrumental in helping to develop Blanske, Jessie DeZiel and Lambert into All-America performers in the 2015 season.

Brink helped Nebraska's beam lineup to a record-breaking performance at the 2014 NCAA Championships, as the Huskers posted a 49.450 to secure their spot in the Super Six finals. In addition, Blanske, DeZiel, Jamie Schleppenbach and Emily Wong took home All-America honors on the event. NU collected nine event titles on beam including a Big Ten champion in Wong.

Brink contributed to Nebraska's continued success in 2013 as the Huskers claimed 13 beam titles including the Big Ten Championship beam title with Wong and Jennifer Lauer posting 9.90 scores. Wong went on to claim second-team All-America accolades on the event.

In her first season as an assistant with the Huskers in 2012, Brink helped coach Wong to first-team All-America honors on beam. Brink's assistance with NU's floor routines also guided DeZiel to first-team All-America honors and Wong to second-team honors on the event.

BEFORE NEBRASKA

Brink, who competed for the Huskers from 1997 to 2000, permanently etched her name in the Nebraska record books by winning two national titles at the 2000 NCAA Championships in Boise, Idaho. Brink became the first Husker female to win an all-around national title and the second to win a vault national title in leading the Huskers to the Super Six Finals and a fourth-place

national finish. Brink was selected as the Honda Award winner in 2000, representing the nation's top female collegiate gymnast. Brink owns the third-highest uneven bars score in program history and the eighth-highest all-around score. She became the first Husker gymnast to score a 10.0, and recorded three perfect scores during her senior season. She closed her collegiate career as one of the most decorated gymnasts in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference crowns. Brink was inducted into the University of Nebraska Athletics Hall of Fame in 2016.

PERSONAL

Prior to joining the Nebraska staff, Brink worked for Ameritas in Lincoln as a pension administration specialist. Brink is a 2001 graduate of Nebraska with a bachelor's degree in business administration and human resource management. Heather and her husband, Jon, have a two sons, Jaxon and Hunter.

Nebraska Athletics enjoyed success during Dannen's first championship season, as the Husker baseball program won its first Big Ten Tournament title and reached the 40-win plateau for the first time since 2014 while the Husker track teams put together impressive showings. The Husker men won the Big Ten Outdoor title and earned their best NCAA Championship finish since 2016 with a 13th-place finish, while the Husker women posted their second straight top-10 NCAA finish and placed ninth at the national meet. Nebraska finished 22nd in the final 2023-24 Learfield Director's Cup, the program's highest finish since 2010.

Dannen has been a leader in charting the course for a new era of collegiate athletics, serving from 2021 to 2023 as a member of the NCAA Constitution Committee and the Division I Transformation Committee. Dannen also previously served as the chair of the NCAA Football Competition Committee and was an Executive Committee member of the Football Oversight Committee. In total, Dannen has served on seven NCAA committees.

In 2022, Dannen was a finalist for Sports Business Journal's Athletic Director of the Year award, and he received the Distinguished American Award from the Sugar Bowl Chapter of the National Football Foundation.

Dannen came to Lincoln after serving as Director of Athletics at the University of Washington. He helped guide the Huskies' transition to the Big Ten Conference and oversaw a football program that reached the College Football Playoff National Championship Game in January of 2024.

He arrived at Washington in the fall of 2023 after serving as Director of Athletics at Tulane University since 2015. While at Tulane, Green Wave student-athletes earned 49 All-America honors, a national championship, 21 conference championships and 41 postseason appearances.

In 2022-23, Tulane football won its first American Athletic Conference football championship and won the Cotton Bowl over USC, which was ranked ninth in the nation at that time. The men's basketball program won 20 regular-season games for the first time in two decades. Additionally, men's tennis advanced to its sixth NCAA Tournament in seven years, both bowling and beach volleyball finished ranked in the top 20, and baseball won the conference championship.

Tulane's football program participated in an unprecedented three consecutive bowl games from 2018 to 2020, winning back-to-back bowl games for the first time in 128 years of football at the University.

In the classroom, Tulane student-athletes excelled at a high-level. At the end of the 2022-23 academic year, over 68 percent of Green Wave student-athletes earned a 3.0 GPA or better, with a 93 percent Graduation Success Rate and a record-setting department Academic Progress Report of 992, with seven teams earning a perfect 1000 APR score.

Dannen spearheaded fundraising efforts and numerous capital projects at Tulane. He helped secure the largest unrestricted gift in Tulane Athletics history, an endowment gift that funded the operation of a new sport (sailing), and a $10 million lead gift for capital renovations, which was the second-largest gift in department history. In addition, marketing and licensing revenue grew four-fold, and in 2022-23, Tulane football, basketball and volleyball set ticket sales and revenue records. Under Dannen's leadership, the Green Wave Club Annual Fund grew by 40 percent in terms of donors, and 45 percent in terms of dollars.

Increases in fundraising and major gift donors positively impacted capital project development and completion. A $13 million renovation to the Reilly Natatorium, home of the swimming and diving program, as well as $8 million in renovations to locker rooms and the sports medicine area inside the Wilson Center were completed in 2023. Dannen also oversaw construction of a new dining facility, weight room, basketball and volleyball locker rooms. Tulane also completed a $2.4 million academic center renovation and a $5 million television and digital production center.

Dannen came to Tulane after serving eight years as the Director of Athletics at the University of Northern Iowa (UNI) from 2008 to 2015. During his tenure, the Panthers enjoyed success at both the conference and national levels, highlighted by an NCAA Sweet 16 appearance in 2010 by the UNI men's basketball team. During his eight-year tenure, UNI was recognized with 39 All-Americans, 13 Coaches of the Year and nine Missouri Valley Conference (MVC) Players of the Year. UNI football, men's basketball, women's basketball, volleyball and softball combined to reach 15 NCAA tournaments and 20 postseason berths during that stretch. For his efforts, Dannen was recognized as NACDA's FCS Athletic Director of the Year in 2014.

Prior to his time at UNI, Dannen served as the Iowa Girls High School Athletic Union's Executive Director for seven years, overseeing 400 high schools and 10 sports.

Dannen grew up on a farm just outside Marshalltown, Iowa, and graduated from UNI in 1989 with a degree in communications. He is married to Amy, and has four children: Elle, Emily, Holly and William.

NEBRASKA'S NCAA CHAMPIONS

MICHELE BRYANT: NU'S FIRST CHAMPION

Michele Bryant
1990 NCAA Vault Champion

Michele Bryant will forever hold one distinction that no other Husker female gymnast can claim

A native of Blue Springs, Mo., Bryant became the first female gymnast in school history to win a national title, capturing the NCAA vault championship with a score of 9.85 at the 1990 NCAA Championships in Corvallis, Ore. Bryant's vault score also set a Nebraska school record held until 1994.

Bryant's NCAA championship capped an impressive Husker career that saw her earn three first-team All-America honors and four Big Eight Championships.

A four-time all-conference selection, Bryant led Nebraska to a 59-20 regular-season record and four Big Eight championships during her collegiate career. It was the first time a gymnastics team had won four straight conference titles in Big Eight history.

At the national level, the Huskers also qualified for the NCAA Championships all four years she competed, the first time in school history the Huskers qualified for nationals in four straight years, while guiding the Huskers to a pair of top-five finishes. As a junior, Bryant earned first-team All-America honors on uneven bars, as the Huskers finished fourth, their best finish in school history. In addition to her vault title, she placed sixth on uneven bars, becoming the first Husker gymnast to earn All-America honors in consecutive seasons, as the Huskers finished fifth at the 1990 NCAA Championships.

The first three-time All-America gymnast in school history, Bryant shared the Big Eight all-around title with fellow Husker Lisa McCrady in 1989 with a score of 38.900, while winning the balance beam title as a junior and the vault title as a senior. Bryant finished her career as Nebraska's school record holder in the all-around (39.000) and vault (9.85).

Bryant's contributions to Husker athletics were recognized with her selection as one of Nebraska's 25 Women of Distinction during the Athletic Department's 25-year celebration in April of 2000. Bryant married John McJunkins in 2005 and has a son, Austin, a stepdaughter, Johnna and a stepson, Jaryd. She currently works as an accountant in Benton, Ark.

HEATHER BRINK: THE BEST OF 2000

Heather Brink
2000 NCAA All-Around and Vault Champion

The 2000 season was the culmination of an outstanding career for Heather Brink. The senior from Lincoln permanently etched her name into the record books, winning two national titles at the NCAA Championships in Boise, Idaho, as the Huskers placed fourth at nationals – equaling their best finish in school history.

Brink became the first Husker female to win an all-around national title, scoring a 39.600 to lead the Huskers to the Super Six Finals for the third time in four years. Entering the final event, Brink was in third place and needed a 9.925 for a share of the all-around title. Brink came through with the finest floor routine of her career, scoring a 9.95 and equaling NU's school record to win by .025 of a point.

In the Super Six Finals one night later, Brink was flawless, posting the top score of the evening with a 39.625, including a 9.95 on vault and a 9.925 on uneven bars, as the Huskers recorded their best finish in 11 years. In the event finals, she won her second NCAA title, placing first on vault with a 9.95, while finishing second on uneven bars (9.925) and eighth on floor exercise (9.80). Overall, she earned five All-America honors (four first-team and one second-team).

For her efforts, she was selected as the Honda Award winner, representing the nation's top female collegiate gymnast. Brink joined softball standout Denise Day (1985) and volleyball players Karen Dahlgren (1987) and Allison Weston (1995) as NU's fourth Honda Award winner. Greichaly Cepero won NU's fifth Honda Award in 2000, as the nation's top volleyball player, while Sarah Pavan added honors in 2006.

The 2000 Big 12 and Region 3 Gymnast of the Year, Brink posted eight of the top 10 all-around totals in school history, including a school record of 39.70 at the NCAA Regional. She also became the first Husker gymnast to score a 10.00, recording the mark on vault against Iowa State on Feb. 15, one of three perfect 10s during the season. She closed her collegiate career as the most decorated gymnast in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference titles.

Brink joined the Nebraska staff as assistant coach before the 2012 season and was named associate head coach prior to the 2016 season. She will begin her seventh season as head coach in 2025. Brink and her husband, Jon, have two sons, Jaxon and Hunter.

RICHELLE SIMPSON: THE NATION'S FINEST

Richelle Simpson
2003 NCAA All-Around and Floor Exercise Champion

Richelle Simpson holds a special place in Nebraska gymnastics history after her record-setting performances in 2002, 2003 and 2005.

As the only Husker gymnast to ever earn first-team All-America honors on all four events and the all-around in the same year, Simpson garnered five first-team awards at the 2003 NCAA Championships, leading the Huskers to a fourth-place national finish at the Bob Devaney Sports Center.

Entering the week of the championships as the nation's top-ranked all-arounder, she captured the NCAA all-around crown with a 39.675, edging out 2002 NCAA Champion Jamie Dantzscher of UCLA, who earned the top all-around performance in Session I of the NCAA Preliminaries with a 39.650.

At the NCAA Super Six Finals, Simpson went on to dominate the competition, producing the top individual performance with scores of 9.925 or better on all four events for an all-around total of 39.800. In the individual event finals, Simpson added an NCAA individual floor title (9.963) to her arsenal of accomplishments.

After being granted a medical hardship year in 2004 by the NCAA, Simpson returned with a vengeance in 2005, leading NU to its first-ever No. 1 ranking after the Masters Classic.

The Toronto, Ontario, native provided an unmatched spark in Nebraska's run to the NCAA Super Six Finals, as the Huskers reclaimed the Big 12 Conference championship.

Simpson, the 2005 South Central Regional Co-Gymnast of the Year, holds or shares records in four categories on Nebraska's all-time charts.

Simpson also became NU's first AAI Award winner in 2005, an honor annually given to the nation's top gymnast on the basis of athleticism, academic excellence and civic responsibility.

She capped her career by earning the first NCAA Top Ten Award in the history of Nebraska women's gymnastics. Simpson became NU's 15th student-athlete across all sports to win the Top Ten Award, which is the highest honor given by the NCAA. Nebraska currently leads the nation with 18 all-time NCAA Top Ten Award Winners.

Simpson was also the Big 12 Female Sportsperson of the Year, Nebraska's Female Student-Athlete of the Year and was awarded NCAA and Big 12 Postgraduate Scholarships at the conclusion of her final season in 2005. In the fall of 2015, she was honored as the first women's gymnast in the Nebraska Athletics Hall of Fame.

Simpson now lives in Las Vegas and performs in the Cirque du Soleil show Mystère with former Husker gymnast A.J. Lamb. Simpson made her debut with Cirque du Soleil in September 2006 and specializes in Chinese poles and the teeterboard.

NEBRASKA'S ACADEMIC ALL-AMERICANS

For the Nebraska women's gymnastics program, academic success is as paramount as athletic accomplishments. With 11 gymnasts capturing 17 CSC Academic All-America honors and 78 women capturing 165 WCGA Scholastic All-America awards since 1994, the Huskers have maintained a high standard of academic excellence and set high expectations at the University of Nebraska.

Since 1988, 11 Husker gymnasts have earned CSC Academic All-America recognition, while Nebraska ranks second in NCAA Division I with 362 Academic All-America honors across all sports.

Mary Ocel was the first NU gymnast to earn Academic All-America status, garnering third-team honors in 1988 with a 3.9 GPA. Jane Clemons earned a third-team spot in 1990 with a 3.663 GPA in addition to her Big Eight all-around title that year. In 1993 and 1994, Nicole Duval was named a third-team academic All-American before garnering first-team accolades as a senior, becoming the only Husker to ever earn the honor three times. Duval also became the first Husker gymnast to be named Nebraska's Female Student-Athlete of the Year in 1994-95.

Joy Taylor, the 1996 Academic All-American Gymnast of the Year, graduated with a 4.0 GPA in biological sciences in 1996. A two-time Academic All-America selection, she was the first Husker female gymnast to earn both athletic and academic All-America honors in the same season. Her teammate, Kim DeHaan, who was a first-team Academic All-America selection, followed in Taylor's footsteps by earning scholastic and athletic honors in the same season.

Bree Dority-O'Callaghan captured third-team Academic All-America and second-team All-America honors on the uneven bars in 2001. She graduated in August 2003 with degrees in economics and finance.

In 2002 and 2003, Jen French was named to the Academic All-America second team, while her teammate Libby Landgraf was named first-team Academic All-American in 2004, becoming the eighth honoree.

Richelle Simpson, who was NU's Female Student-Athlete of the Year in 2004-05, was named to the second team and earned a multitude of national awards in her junior and senior seasons, including the AAI Award and the NCAA Today's Top Ten Award. She was also the NCAA all-around champion in 2003.

Emily Wong earned second-team selection in 2013 and first-team honors in 2014. An 11-time All-American in competition and Nebraska's second AAI Award winner, Wong capped one of the program's most successful senior seasons in 2014. The Big Ten Gymnast of the Year collected numerous awards through her final season at Nebraska and earned her second CSC Academic All-America award.

Danielle Breen is the most recent Husker to earn Academic All-America honors, as she claimed second-team honors in 2017 and first-team accolades in 2018 to become Nebraska's fifth multi-time academic All-American. Breen also earned second-team All-America honors for the Huskers on balance beam in 2017. In 2018, Breen was the first Husker to win the NCAA Elite 90 Award, given to the student-athlete with the highest cumulative GPA competing in the NCAA Championship.

ALL-BIG TEN

All-Big Ten honors featured the top-six performers in the all-around and the top six in each of the four events, based on the athlete's regional qualifying average. Beginning in 2017, All-Big Ten teams were determined using the Regional Qualifying Scores from RoadToNationals.com. The top 15 individuals are taken from each event and the AA, and using a point system, the top-15 point-getters (ties included) receive first-team honors and the next 15 receive second-team honors.

ACADEMIC COUNSELING
Eight academic counselors, three learning specialists, two assistant academic counselors and one computer specialist are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/ registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT
A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL
Nebraska's study hall program is housed in the Scott Technology Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING
Academic support staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS
Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION
Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES
New laptops are provided to all student-athletes for use during their academic career at Nebraska. The Herman Student Life Complex has printers and desktop computers available for student-athletes to use in the facility.

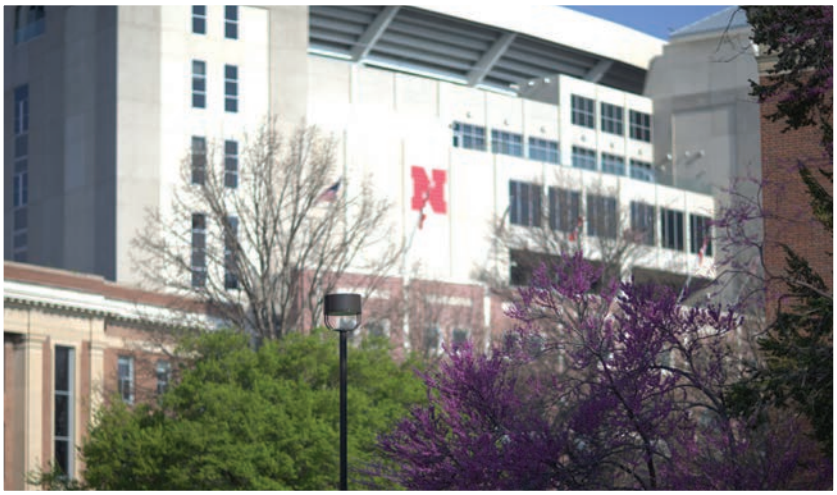
NEBRASKA



THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska-Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie "R1: Doctoral Universities – Highest Research Activity" category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska-Lincoln is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 14 Big Ten Institutions and partners with the University of Chicago. The Big Ten Academic Alliance and the institutions together have annual research expenditures topping $10.5 billion - more than the Ivy League and the University of California System combined - and they educate a total of nearly 600,000 students with approximately 50,000 faculty members.
